

NEW!

Riva "Value Packs" for Novell® GroupWise®

GroupWise account management and CRM integration—like never before! Omni is pleased to announce Riva "Value Pack" bundle pricing for its policy-based, automated Riva Managed Policies, Managed Applications and Reports.

Riva Managed Policies "Value Pack"

Riva Managed Policies allow administrators to dynamically create and automatically update GroupWise content and information including managed GroupWise calendars, address books, proxy access, rules, folders, categories and more.

Buy 2, Get 8 Free

Riva Managed Applications "Value Pack"

Enforce corporate signature policies by using eDirectory™ information in user GroupWise signatures. Create Dynamic and Secure GroupWise Distribution Lists that use external sources for distribution list membership. **Buy 2, Get 1 Free**

Riva Reports "Value Pack"

Provide quick-and-easy access to GroupWise and eDirectory reports that are not readily available using standard administration tools. Reports include GroupWise Archive Path Report, GroupWise Proxy Report, GroupWise Rules Report, Shared Address Book Report, Shared Folders Report, Shared Calendars Report and more. **Buy 2, Get 5 Free**

PLUS! RIVA IS THE #1 GROUPWISE INTEGRATION SOLUTION

Eight Integrations for GroupWise 8

Omni has developed transparent, two-way, server-side synchronisation of appointments, phone calls, tasks, notes, address books, opportunities, quotes and more between GroupWise and your CRM, line-of-business and SQL database applications. Integrations are available for: *Microsoft SharePoint, Microsoft Dynamics CRM, SugarCRM, SageCRM, Salesforce CRM, GoldMine, info@hand and SQL databases.*

Features & Benefits

- Leverages the GroupWise Trusted Application architecture and eDirectory connectors.
- Integrates GroupWise to Microsoft SharePoint, CRMs, ERPs, SQL databases and other third-party applications.
- GroupWise manages itself based on automated Riva Policies.
- Seamless synchronisation of data based on one-to-one or one-to-many policies.
- View and edit CRM contacts, calendar information, quotes, opportunities and cases directly from any GroupWise client.
